Dear Parents / Guardian,

Re: Home-based Learning End-it-Well [EIW] Programme (A Special Edition)

We are coming to the end of a unique and interesting school term. I am sure you have observed a very different learning experience your child / children have gone through at home during Full Home Based Learning in the past few weeks. In line with our Holistic Education and Joyful Learning outcomes, the teachers and students will end the Home-based Learning with a special edition of the End-it-Well Programme on Monday, 4 May 2020.

We will devote the EIW programme for the Qihua Family to reflect on the new learning norm that we have gone through together:

- 1) Teachers: Learn new ways to engage students and deliver Holistic Curriculum during HBL period
- 2) Students: Take responsibility for their learning and show appreciation during HBL period
- 3) Parents: Understand what HBL involves and support the children's learning during HBL period

Form Teachers will be engaging students in a live interaction session based on the existing schedule for live lessons on 4 May 2020 with an additional session for Primary 3 [12.00 to 1.00 p.m.]. The schedule for the class live interaction session on that day will be as follows:

Level	Time
Primary 1	9.30 – 10.30 a.m.
Primary 2	8.15 – 9.15 a.m.
Primary 3	12.00 – 1.00 p.m.
Primary 4	2.30 – 3.30 p.m.
Primary 5	10.45 – 11.45 a.m.
Primary 6	1.15 – 2.15 p.m.

Please note the following:

- 1) The live lessons for the various subjects on 4 May 2020 will be suspended.
- 2) The home-based learning packages for the various subjects that have been planned according to the Home-based Learning schedule will be assigned to students on 4 May 2020.
- 3) The End-it-Well reflections and activities will be assigned to students on 4 May 2020 in the form of SLS packages.
