Dear Parent/Guardian,

Term 2 Start It Right Programme (SIR)

The school has organised class-based activities as part of the Start It Right Programme for all students on 23 March 2020 (Term 2 Week 1, Monday).

The objectives of these activities are to:

- a) provide time for quality interaction between form teachers and students, and
- b) impart values and develop SEL competencies (self-awareness, self-management, social awareness, relationship management & responsible decision-making) in students.

Please take note that your child/ward will come to school dressed in his/her school uniform on that day. There will not be any lessons. However, he/she is required to bring his/her writing materials, water bottle, wallet and lunch box for snack time.

Thank you for your continued support.

Yours faithfully,

Mdm Tay Seok Har
Head of Department
Character and Citizenship Education (CCE)
