NQHPS/2020/018

8 February 2020

Dear Parents and Guardians,

As MOH has raised the risk assessment to DORSCON Orange, we will also step up our measures in school.

We will go through age appropriate learning packages to impress upon the children the importance of personal hygiene and social distancing.

For personal hygiene, the enhanced step up measures are:

- children will clean their own desk and chair every morning. Children may use their wet wipes in their health kit or wet tissue paper for the daily cleaning
- washing of hands before recess and snack breaks
- 2nd temperature taking at 11.45am

For Social Distancing:

- no big group gathering: We will postpone the P3/P4 Meet the Parent Session on 15 Feb 2020 till further notice
- all after school activities like supplementary classes, ICAN, MBL, SDR, RRP, enrichment lessons and CCAs will continue
- no inter school competitions and external events
- Learning Journeys (local and overseas) will be postponed till further notice
- recess will be further staggered and seats will be allocated for each class with space in between during recess. There will be adjustment on recess and snack break schedule for P1, 2 and P6
- We appeal to parents who are fetching children at the respective gates to space out while waiting; only move towards the gate when the class is announced. Please allow clear passage way at the gate so that children do not need to manoeuvre through the crowd
- will inform the children to wave "Good Bye" to teachers and principal instead of "Hi Five" when they see their parents at the gate or leave the school gates

Please help to reinforce the above message to the children at home. Together, we will keep the children, staff and all in Singapore and beyond safe and well. In situation like this, everyone counts!

Yours sincerely,
Mrs Lee Hui Feng
Principal
